as usual.

[]

25X1 4. [] Mr. Robert Hull, Department of
State, called in connection with an airgram which was ready for release
concerning the selective evacuation to a safe haven of employees and/or
families who have been subjected to terrorists attacks (see 20 July Memo-
randum for the Record). Based on the advice of [] SSA/
DDS, I called Hull and told him our substantive people see no problem in
the proposed new policy. I emphasized that this was not a formal Agency
position and that we did not want to be listed as coordinating on the airgram,
but that we would like a copy. He said he understood perfectly and would
put us on distribution.

5. (Unclassified - LLM) Mr. Steinberg, in the office of Senator Clifford Case (R., N.J.), asked if we could provide him information on projected U.S. military losses in Vietnam in a variety of circumstances. I told him that this was a matter for the Pentagon, and in response to his question, told him that I was unaware of the Director having ever made a public statement on this subject. This seemed to satisfy Mr. Steinberg.

7. (Unclassified - GLC) Jim Lowenstein, on the staff of the Senate Foreign Relations Committee, called and asked about the status of our answers to the questions which had been given us by the Committee at the Director's last briefing. I told Lowenstein I was certain these would be ready no later than the end of the week. Bruce Clarke subsequently advised that the answers had been prepared and cleared by the Director and we will forward them to the Committee.
